

IT Ops Ticket Triage Challenge

25 IT Service Desk Tickets

These are the 25 tickets waiting in the queue. Your task: read each one, decide its category and priority, route it to the right team with a response target, and order the queue so the worst problems come first.

Read the triage policy alongside this pack. Both are part of the download.

IT Service Desk Ticket

No one can send or receive email

Ticket ID:	INC-3001
Logged by:	Priya Nair
Department:	Sales
Date:	20 Jun 2026
Channel:	Portal

Description

Since about 9am nobody in the office can send or receive email, in Outlook or webmail. It is affecting the entire company and we are completely stuck.

Logged via the self-service portal. Awaiting triage.

IT Service Desk Ticket

Whole sales floor has no network

Ticket ID:	INC-3002
Logged by:	Rahul Verma
Department:	Operations
Date:	20 Jun 2026
Channel:	Phone

Description

The entire sales floor, around 30 people, lost network connectivity ten minutes ago. No one on the floor can work. Both wired and WiFi are down.

Logged via the self-service portal. Awaiting triage.

IT Service Desk Ticket

Odd email asking for my password

Ticket ID: INC-3003
Logged by: Anjali Gupta
Department: Finance
Date: 20 Jun 2026
Channel: Email

Description

I got an email that looked like IT asking me to confirm my password on a link. I clicked it and entered my details before it felt wrong. I think it may be a scam.

Logged via the self-service portal. Awaiting triage.

IT Service Desk Ticket

CFO laptop will not power on before board meeting

Ticket ID: INC-3004
Logged by: Meera Iyer
Department: Office of the CFO
Date: 20 Jun 2026
Channel: Phone

Description

The CFO's laptop will not power on at all. She has a board presentation within the hour and cannot reach any of her files. Nothing happens when pressing power.

Logged via the self-service portal. Awaiting triage.

IT Service Desk Ticket

Pop-ups and strange programs on my PC

Ticket ID:	INC-3005
Logged by:	Sunil Rao
Department:	Finance
Date:	20 Jun 2026
Channel:	Portal

Description

My computer keeps showing pop-ups and a program I did not install opened by itself. It is behaving strangely and I am worried it could be a virus.

Logged via the self-service portal. Awaiting triage.

ERP errors across the finance team

Ticket ID: INC-3006
Logged by: Kavita Nair
Department: Finance
Date: 20 Jun 2026
Channel: Portal

Description

Several of us in finance are getting errors when posting entries in the ERP. There is a slow manual workaround. Roughly the whole team is affected.

Logged via the self-service portal. Awaiting triage.

IT Service Desk Ticket

Head of HR cannot open the shared drive

Ticket ID: INC-3007
Logged by: Deepak Sharma
Department: Human Resources
Date: 20 Jun 2026
Channel: Email

Description

As Head of HR I cannot access the HR shared drive this morning. I can still use email and other systems in the meantime.

Logged via the self-service portal. Awaiting triage.

IT Service Desk Ticket

VPN very slow for the remote team

Ticket ID: INC-3008
Logged by: Neha Joshi
Department: Support
Date: 20 Jun 2026
Channel: Portal

Description

A number of us working remotely find the VPN extremely slow today. We can work but it is painful and everything crawls.

Logged via the self-service portal. Awaiting triage.

IT Service Desk Ticket

Locked out of the core system, deadline today

Ticket ID:	INC-3009
Logged by:	Arjun Menon
Department:	Operations
Date:	20 Jun 2026
Channel:	Portal

Description

I cannot log in to the operations system at all, it rejects my credentials. I have a hard deadline today and no way around it.

Logged via the self-service portal. Awaiting triage.

IT Service Desk Ticket

Payroll software licence expired

Ticket ID: INC-3010
Logged by: Sridevi Rao
Department: Payroll
Date: 20 Jun 2026
Channel: Email

Description

The payroll application says the licence has expired. The team can use last cycle's spreadsheet as a temporary workaround, but it needs fixing.

Logged via the self-service portal. Awaiting triage.

IT Service Desk Ticket

CEO desk phone has no dial tone

Ticket ID: INC-3011
Logged by: Vikram Nair
Department: Office of the CEO
Date: 20 Jun 2026
Channel: Phone

Description

The CEO's desk phone has no dial tone. He can use his mobile for now, but it needs sorting.

Logged via the self-service portal. Awaiting triage.

IT Service Desk Ticket

Outlook keeps crashing

Ticket ID:	INC-3012
Logged by:	Sana Khan
Department:	Marketing
Date:	20 Jun 2026
Channel:	Portal

Description

My Outlook crashes every few minutes on my laptop. I am using webmail as a workaround for now.

Logged via the self-service portal. Awaiting triage.

Second monitor flickering

Ticket ID:	INC-3013
Logged by:	Rohit Das
Department:	Design
Date:	20 Jun 2026
Channel:	Portal

Description

My second monitor flickers on and off. I can still work on the main screen.

Logged via the self-service portal. Awaiting triage.

IT Service Desk Ticket

WiFi drops at my desk

Ticket ID:	INC-3014
Logged by:	Leena Pillai
Department:	Sales
Date:	20 Jun 2026
Channel:	Portal

Description

The WiFi at my desk keeps dropping every so often. It reconnects on its own, just annoying.

Logged via the self-service portal. Awaiting triage.

Report export fails in the app

Ticket ID:	INC-3015
Logged by:	Manish Gupta
Department:	Finance
Date:	20 Jun 2026
Channel:	Portal

Description

Exporting a report in the finance app throws an error. I can copy the data manually as a workaround.

Logged via the self-service portal. Awaiting triage.

IT Service Desk Ticket

Lost access to a folder I normally use

Ticket ID: INC-3016
Logged by: Divya Rao
Department: Projects
Date: 20 Jun 2026
Channel: Portal

Description

I used to have access to the Apollo project folder and now I get access denied. I need it back to continue, though I have other tasks meanwhile.

Logged via the self-service portal. Awaiting triage.

IT Service Desk Ticket

Printer jams on the 3rd floor

Ticket ID:	INC-3017
Logged by:	Farah Ali
Department:	Administration
Date:	20 Jun 2026
Channel:	Portal

Description

The printer on the 3rd floor jams every few pages. A few of us use it, and we can print elsewhere for now.

Logged via the self-service portal. Awaiting triage.

Softphone audio is choppy

Ticket ID:	INC-3018
Logged by:	Karan Mehta
Department:	Support
Date:	20 Jun 2026
Channel:	Portal

Description

On calls my softphone audio is choppy and callers say I cut out. I can still take calls though.

Logged via the self-service portal. Awaiting triage.

Mailbox almost full

Ticket ID:	INC-3019
Logged by:	Nisha Verma
Department:	Legal
Date:	20 Jun 2026
Channel:	Portal

Description

I keep getting mailbox nearly full warnings. Still working for now, but I would like it sorted.

Logged via the self-service portal. Awaiting triage.

IT Service Desk Ticket

Laptop has become very slow

Ticket ID: INC-3020
Logged by: Aditya Kulkarni
Department: Engineering
Date: 20 Jun 2026
Channel: Portal

Description

My laptop has become very slow over the last week. Still usable but frustrating and it slows me down.

Logged via the self-service portal. Awaiting triage.

IT Service Desk Ticket

New monitor for a new joiner

Ticket ID: INC-3021
Logged by: Pooja Sharma
Department: Human Resources
Date: 20 Jun 2026
Channel: Portal

Description

Requesting a second monitor for a new team member starting next week. No urgency.

Logged via the self-service portal. Awaiting triage.

IT Service Desk Ticket

Install Photoshop

Ticket ID:	INC-3022
Logged by:	Ravi Kumar
Department:	Design
Date:	20 Jun 2026
Channel:	Portal

Description

Please install a licensed copy of Photoshop on my machine when you get a chance.

Logged via the self-service portal. Awaiting triage.

IT Service Desk Ticket

Access to the marketing shared mailbox

Ticket ID:	INC-3023
Logged by:	Sneha Iyer
Department:	Marketing
Date:	20 Jun 2026
Channel:	Portal

Description

Requesting access to the shared marketing mailbox for a new campaign. No rush.

Logged via the self-service portal. Awaiting triage.

IT Service Desk Ticket

How to set up email on my phone

Ticket ID:	INC-3024
Logged by:	Amit Shah
Department:	Sales
Date:	20 Jun 2026
Channel:	Portal

Description

Could someone guide me on setting up my work email on my personal phone, whenever convenient?

Logged via the self-service portal. Awaiting triage.

IT Service Desk Ticket

Spare keyboard for the meeting room

Ticket ID:	INC-3025
Logged by:	Geeta Nair
Department:	Administration
Date:	20 Jun 2026
Channel:	Portal

Description

Requesting a spare keyboard for the meeting room. Low priority.

Logged via the self-service portal. Awaiting triage.
